<u>Pre-Kindergarten 4 Year Old Program</u>

In our Pre-K 4 Program, we are dedicated to offering a quality education of immeasurable value for young learners, using the best tools possible, their imaginations. We teach the whole child; mind, body and heart, enhancing their learning through play, real world experiences, lessons and activities, all centered around hands-on fun! Your child's happiness is our utmost priority and from there, learning will organically fall into place. This creates a strong foundation for our students to build upon for their entire school career and gives them the tools they need to succeed in Kindergarten.

Our program's focus is on promoting Kindergarten readiness: encouraging learning through play based activities in Math, Science, Social Studies and Literacy, developing self-help skills, as well as gaining the self-confidence needed to make independent decisions. We foster ongoing community through a spirit of cooperation and outreach, and our innovative, passionate and creative teachers provide children with gifts that last a lifetime.

Our Pre-K 4 Program highlights include:

- Pre-Reading, Writing and Language Arts Programs
- Science Program and a STEM Lab Featuring Robotics, Engineering, Magnets and Giant Geo's
- Life, Physical and Earth Science
- Saxon Mathematics including "Math Shelf" on Ipads
- Social Studies from a Local, National and Global Perspective
- Religion (Discovering God's World)
- SMART Board: Interactive Learning Technology
- Computer Lab with Latest Technology
- "The Gym" – Indoor Recreational Area
- Library Learning Center
- Outdoor Playground
- Specialized Enrichment Programs
- Hot Lunch and Cafeteria Specifically Designated for Pre-K 4's and Kindergarten
- Before and After Care Programs

Children learn as they play and play as they learn, this is how they make sense of the world. We believe that by engaging children in thought provoking, challenging play and learning experiences, we will cultivate an authentic passion and love of life-long learning and exploration.
