Dear Parents and Guardians,

We are required by the Massachusetts Department of Public Health to obtain copies of immunization records and a current physical exam form for children entering Pre-School, Kindergarten, 4th and 7th grades, as well as, all students new to St. John the Baptist School and students participating in competitive athletics.

If this information does not pertain to your child please disregard this letter. However, if your child is entering Pre-School, Kindergarten, the 4th or 7th grade, new to the school, or participating in competitive athletics, please check with your child's health care provider and send a copy of the child's updated immunization record and completed physical exam to the school nurse.

Many thanks for your help.
