

PERMISSION TO BE PHOTOGRAPHED
2019-2020

To be signed and returned to school by Monday, September 23, 2019

Dear Parents/Guardians:

Occasionally SJS staff and/or newspaper photographers come to our school to photograph various events. In addition, as St. John the Baptist School continues to grow and progress, we realize the importance of social media. The St. John the Baptist web site is regularly updated with photographs from development activities and various events. We need permission from a parent or guardian to publish these photographs on the web site. We would like to share photos of our students, their work, and many of the special events that take place each week on our Facebook page. We will not include students' names in our posts unless we contact you for specific permission to do so.

We respect your decision to allow your child to be photographed or not.

We ask that every parent sign below and check the appropriate answer for your child
